Ms. Susan Thornton
Legislative-Citizen Commission on Minnesota Resources
State Office Building Room 65
St. Paul, MN 55155-1201

Dear Ms. Thornton:

The Clay County Board of Commissioners recognizes the need to protect the ground and surface water resources to ensure adequate water supplies for the present and future years. As such, the Clay County Board supports the development of an Aquifer Management Plan for the Buffalo Aquifer in Moorhead. In this context, at its regular meeting on 6/23/09, the County Board voted unanimously to support the Minnesota Department of Natural Resources project entitled "Next Generation in Water Supply Management - Pilot Studies".

Sincerely,

Jerry Waller
Chair
Clay County Board of Commissioners
